

AWS Columbus Learning Days

Intelligent document processing workshop

Jason Hammett

Sr. Solutions Architect
Amazon Web Services

Intelligent document processing on Amazon Web Services

Speed up business processes

Improve decision quality

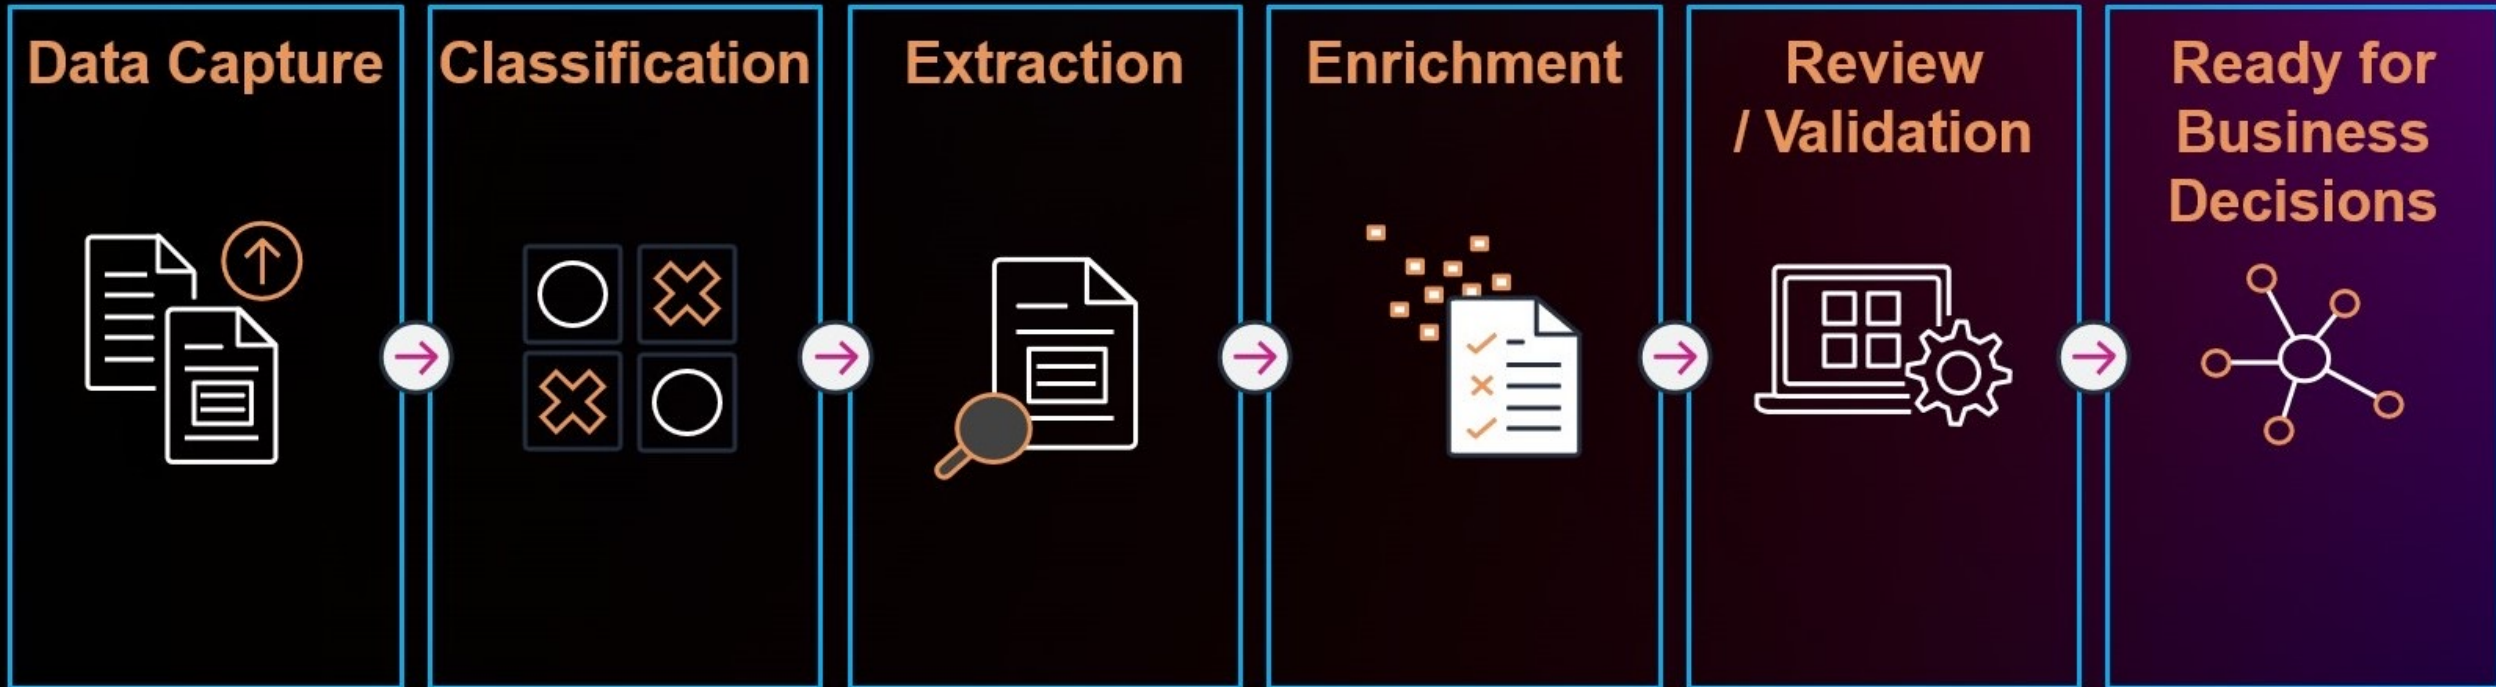

Retain and recall information electronically

Reduce overall costs

High-level workflow

Let's build a solution

Getting started with this workshop

You have access to an AWS account with any optional pre-provisioned infrastructure and IAM policies needed to complete this workshop.

The AWS account is only available for the duration of this workshop.
You will lose access to the account once the workshop is complete.

Any optional pre-provisioned infrastructure is deployed to a specific AWS Region. Make sure that you are working in this Region; other Regions are blocked.

Review the terms and conditions of the event. **Do not upload any personal or confidential information to the account.**
